Additional events may be added!

Come and be surprised.

Annual Fund Appeal for the Tinmouth Continuing Education Scholarship Fund

The Tinmouth Community Fund Continuing Education Scholarship Fund was created in 2012 and has awarded a total of 80 grants to Tinmouth students pursuing education past high school totaling \$87,400. We just awarded \$20,000 in scholarships in June. Begun two years ago year and endowed in perpetuity, is the Susan McIntosh Lloyd Scholarship awarded to a student or students pursuing one or more of Sue's passions of music, farming, and forestry.

We have heard from prior scholarship recipients that a grant is particularly helpful in the 2nd year and beyond of college when many other grants are discontinued. Funds have been used to pay for tuition, room and board, computers, books, commuting, childcare and various other expenses. Many students are graduating with significant debt, and this fund helps them to reduce their long-term financial burden.

We are reaching out to the greater Tinmouth Community to ask for your financial support to continue this effort and grow our fund. Currently funds raised come from private individuals and the proceeds of the Tinmouth Plant Sale (thank you, gardeners!). We have also benefited from gains in the stock market. All donations made to this fund go to our endowed fund at the Vermont Community Foundation and are fully tax deductible.

Won't you help the students of Tinmouth in their pursuit of knowledge? Thanks for your donation in any amount. We can also accept gifts of stocks or mutual funds, be assigned as a beneficiary of an IRA and we would love to be remembered in your will. Anonymous donations made be made directly to the Vermont Community Foundation, attention Lydia Brownell, 802-388-3355 ext. 227 or lbrownell@vermontcf.org specifying the Tinmouth Continuing Education Scholarship Fund as the beneficiary.

We launched a **Capital Campaign in early 2020, to raise \$100,000 to grow our Continuing Education Scholarship Fund.** Each year the Tinmouth Plant Sale is an integral part of our fundraising efforts. Our gardeners are getting older, and we wanted to plan for the future to ensure that adequate funding is in place to continue to support students' educational pursuits when the plant sale fades away. **We are pleased to announce we reached our goal in May 2020! Thank you to everyone who contributed!** Due to large classes coming along and to provide scholarships well into the future, we are continuing to make this annual appeal letter to enhance support of students.

If you have any questions, feel free to call any member of the Tinmouth Community Fund Board, which includes: Helen Mango, Cathy Reynolds, Melody Squier, Asha Carroll McCullough, Nikki Pfeiffer, Todd Dennis, Lisa Patry, Casey Voiglaender, and Jan Krantz.

The Scholarship Committee is a special subcommittee of the TCF which includes: Cathy Reynolds, Nelson Jaquay, Doug Fontein, Asha Carroll McCullough, Rene Wilbur, Bob Lloyd, Caleb Scott, Tess McGinley, Ruth Drachman, Frank Sears, and Jan Krantz.

With Thanks – **Jan Krantz**, Chair, Tinmouth Community Fund
