**Annual Report of the Town Officers**  
***Fiscal Year Ending June 30, 2021***

## **The 2021 Town Report is dedicated to Grant and Jo Reynolds**

The 2021 Town Report is dedicated to Grant Reynolds, who passed in May, and his wife Jo.

When Grant and Jo bought their home in Tinmouth in the early 2000's, they jumped right into the thick of community service: attending many meetings, joining many committees, giving freely of their time and resources. They oversaw the cross-country ski program at the school for many years, worked tirelessly on the Old Creamery restoration project, helped out at the TVFD's Game Supper, Church and School events, and the Community Fun Days. Grant and Jo were committed participants in the Tinmouth Writer's Group and the Library book discussion group, and were a key part of the "Crew" that hosted concerts at the Old Firehouse for many years. Grant was a member of the Planning Commission, the Zoning Board of Adjustment, the School Board (Chair), was instrumental in the school merger to create the Mill River Unified Union School District (and making sure the Articles of Association clearly stated that no school could be closed without the unanimous vote of the school board AND a vote of the town), and then became Tinmouth's Board member to the MRUUSD. He was the editor of *'The Channel'*, the Tinmouth Historical and Genealogical Society's Quarterly, and the Town's representative to the Rutland Regional Transportation Council. Grant worked tirelessly to save the Old Creamery, and was proud to have the Wee Folk Playground named for him. He also wrote a *'Short History of Tinmouth'* for the upper grades of the Tinmouth School. Jo served on the Tinmouth Community Fund Board, the Conservation Commission, was a member of the THGS, was a dedicated Plant Sale volunteer, and accompanied and supported Grant in many of his endeavors.

Thank you for your service and caring.

*Grant & Jo Reynolds*

## TOWN OF TINMOUTH

**Officers Appointed by Select Board – 2021** (Bold, for those with terms. Most others are annual.)

### **Board of Adjustment**

Bart Eaton, Chair (2022)\*  
Sherry Johnson (2023)  
**Robert Lloyd** (2024)  
**Robert Noble** (2024)  
**Grant Reynolds**(2024) (Passed in 2021)  
**Tracylea Byford**, appointed (2024)  
Stan Wilbur (2023)  
Vito Macaluso (2022)\*

### **Planning Commission**

Michael Fallar, Chair (2023)  
Larry Carabeau (2023)  
**Andy Gilmore** (2024)  
Kim Harbaugh (2022)\*  
Robert Lloyd (2022)\*  
Vito Macaluso (2023)  
**Pat Psholka** (2024)  
Grant Reynolds (2022) (Passed in 2021)  
**Judy Gilmore**, appointed (2022)\*  
**Rainbow Squier** (2024)

### **Zoning Administrator**

**Gail Fallar** (2023)

### **911 Coordinator**

Gail Fallar

### **Rutland Regional Planning Commission**

Robert Lloyd, Commissioner  
Michael Fallar, *Alternate*

### **RRPC Regional Transportation Council**

Grant Reynolds (Passed in 2021) *Vacant*  
Michael Fannin, *Alternate*

### **Solid Waste Alliance Communities**

Chris Martone      Wheaton Squier, *Alternate*

### **Tinmouth Library Trustee**

Gene Usher (2022)\*

### **Rutland Free Library Trustee**

Barry Cohen (2024)

### **Health Officer**

Meadow Squier (as of July 1)  
Theresa Schmelzenbach, Deputy

### **Pound Keeper**

Glenn D. Merrill

### **Fence Viewers**

Michael Fallar      Ralph Lewis  
Glenn D. Merrill      Caleb Scott

### **Tree Warden**

David Birdsall      Wheaton Squier, Deputy

### **Green-Up Day Committee**

Doug Fontein  
Ed Hasenohr  
Nelson Jaquay

### **Housing Rehab Loan Review Committee**

Select Board

### **Animal Control Officers**

David Birdsall  
Paul Morris, Deputy

### **Emergency Management**

Michael Fannin, Director  
Ray Pratt, Coordinator (*appointed by Director*)

### **Town Huggers**

Hollis Squier      Patti (Cow Patti) Macaluso

### **Community Center Board**

Cathy Reynolds (appointed by Select Board)  
Asha Carroll McCullough (MRUUSD Member)  
Ann Czar (2022)\* (elected at Town Mtg.)

**Emergency Number**

**Fire Department, Rescue Squad/Ambulance, State Police**                      **Dial 911**  
*If 911 is not operational, call the Tinmouth Fire House @ 802-446-2460*

## **TOWN OF TINMOUTH**

### **Notices (continued)**

#### **Fire Permit**

If there is no snow on the ground, a fire permit is required to burn grass or brush within 200 feet of any woodland.

For information about a fire permit call Glenn D. Merrill, Fire Warden 802-446-2782  
or Wheaton Squier, Deputy 802-446-2082

To report a FOREST FIRE, call 911.

#### **Voting**

To Vote in a Town Election One Must:

1. Be a citizen of the United States of America.
2. Be 18 years of age or over.
3. Have taken the Voter's Oath in the State of Vermont.

Please contact the Town Clerk for an application to the Check List. You can also register through the DMV, or online at "My Voter Page": [mvp.sec.state.vt.us](http://mvp.sec.state.vt.us).

Vermont has instituted **same-day voter registration**, meaning that if you have not previously registered to vote and want to do so on election day, you can register then and there. You do need to be a resident of the town in which you are registering to vote, and must provide proof of residency (like a utility bill), and identification (driver's license).

#### **Transfer Station Hours**

The Transfer Station (for trash disposal and recycling) is open Saturday morning 8:00-12:00 and Wednesday afternoon 4:00-7:00. A punch ticket is required (\$25 for 10 punches or \$125 for 50 punches). Each 30-gallon bag of trash is 1 punch (\$2.50). Larger items are priced according to size.

Recycling is FREE

1. Zero sort for glass, tin cans, aluminum, #1-7 plastic (you don't have to separate)
2. Paper – sort newspaper; corrugated cardboard; and all other papers
3. Metal

Punch tickets must be obtained at the Town Office. Information sheets are available at the Transfer Station or Town Office.

Electronics – Computers and Computer peripherals – no charge – special containers for collection in shed.

Household Hazardous Waste is not collected in Town. See special collection locations & dates on Page 38-39.

**Refrigerators, freezers, air-conditioners, and all items containing Freon are no longer accepted.**

**Library Hours** - Limited access due to the pandemic for now. We hope to resume regular hours soon.

*Ruth Drachman, Librarian*

#### **Zoning & Subdivision Regulations**

Permits are required for the following:

New driveways (Driveway)-No Fee

New Building Construction or Alteration (Zoning) - \$5.00 Fee\*

Change of Use (Zoning) - \$5.00 Fee\*

Subdivision of Land (Subdivision) - \$25.00 Fee\*

Application to Board of Adjustment - \$25.00 Fee\*

New septic systems or repairs – State Permit Required, copy to be provided to the Town

\*Fees may be reviewed and changed in 2022.

If you have any questions or need an application, please contact:

Gail Fallar, Tinmouth Zoning Administrator 802-446-2498 or [tinmouthtown@vermontel.net](mailto:tinmouthtown@vermontel.net)

## TOWN OF TINMOUTH Notices (continued)

### Tinmouth Newsletter

The *Tales of Tinmouth* is a monthly newsletter that contains town, church and school news, upcoming events, interviews with town residents, etc., for town residents (past & present), property owners, and friends. If you are not currently on the mailing list and would like to receive "Tales," please send your name and address to Editor, 515 North End Road, Tinmouth, VT 05773, or by email. There is no charge, although donations are gratefully appreciated. The newsletter is published with volunteer help; donations cover postage and printing. E-mail is [tinmouthtales@vermontel.net](mailto:tinmouthtales@vermontel.net). Deadline for submissions is 20<sup>th</sup> of the month. Ads accepted with a donation.

### Dog Licenses

All dogs six (6) months of age or older shall annually, on or before **April 1st**, be licensed. RABIES certificates must be signed by a duly licensed Veterinarian and delivered to the Town Clerk stating that the dog has within 36 months (for dogs two years of age and older), 12 months (for dogs over one but less than two years), and within the last year (for dogs under one year old), been vaccinated against rabies, BEFORE any dog is licensed.

Regular License Fees: \$9.00 neutered male or spayed female; \$13.00 male or female not neutered/spayed, price includes \$5.00 for State Rabies and Neutering Programs. The price increases by 50% after April 1<sup>st</sup>.

Licenses are available at the Town Clerk's office.

### Front Porch Forum ~ Connect with your Tinmouth Neighbors

Front Porch Forum is a company that provides online digital news for all Vermont Towns. Each town has its own site for neighbors to share news, events, etc. In Tinmouth, meeting agendas and notices are posted here as well.

To sign up, go to <http://FrontPorchForum.com>, or stop by the town office for assistance.

Post upcoming events; sell, swap or trade; comment on current issues; keep track of what's happening in town; give someone a pat on the back; etc. You get an email once or twice a week, read the postings or not, you don't have to post anything. It helps everyone keep in touch and provides for better communication.

If you own property here, but live out of town, use your Tinmouth 911 address for your location.

## **TOWN OF TINMOUTH**

### **Report of the Select Board January 2022**

With 2021 proving to be another year of Covid-19 Pandemic, we pressed forward while following the most current CDC regulations/suggestions to keep Town employees and citizens as safe as possible.

Given the current surge of Covid cases in January 2022, the Select Board decided to switch town meeting voting to Australian ballot with a virtual Informational meeting. This enables folks to attend from home via their telephone or computer to discuss the articles on Saturday, February 26<sup>th</sup>, and to request an absentee ballot or vote in person from 8 am until 7 pm at the Old Fire House on March 1<sup>st</sup>. Special legislation gave towns with an annual floor meeting the authority to use Australian ballot again this year as a safety precaution if they choose. We chose.

Our Road Crew handled every challenge without hesitation to ensure the town's roadways were maintained for safe travel to and through the Town. 2021 was the year the Road Crew started implementing the 2020 Road Stormwater Management Plan, required by Act 64 of the Vermont Clean Water Act. Tinmouth's plan was developed with the help of the Rutland Regional Planning Commission. Under the DEC Municipal Roads General Permit (DEC MRGP), municipalities must implement a customized, multi-year municipal stormwater management plan.

Steps include: ► inventorying roadways and identifying connections to surface waters; ► implementing solutions such as stone-lined and U-shaped ditches, turnouts, check dams, road crowning, and grass -lined drainage ditches; ► upgrading drainage culverts and stabilizing culvert outlets where erosion is present. The town has a 20 year implementation time frame with the first round being the most aggressive. The plan is available at the Town Office.

A few of the Road Crew's projects in 2021 included replacement of culverts on Merrill Spring Rd and Harrington Cross Rd, ditching and stoning along the roadsides of North East Rd and Merrill Spring Rd, paving ~ 1 mile of Mountain View Rd, road repair and stabilization of Harrington Cross Rd, upgrading the access to Harrington Cross Rd where it meets RT 140, and monitoring and removing dying or dead Ash trees that pose a safety issue to public travel.

These are just a few of many projects they completed while continuing their daily work of maintaining our 31.5 miles of paved and gravel roads including snow plowing and sanding as necessary during the winter months.

Roadside mowing was contracted to Hollis Squier who has announced his retirement from this role after 37 years. Thank you to Hollis for his many years of service to the Town, as Road Commissioner and most recently as summer roadside visibility director.

The Select Board, in coordination with the Road Crew, Town Treasurer and Selectboard Assistant, and Project Manager Stan Wilbur, are continuing to move forward on the building of a new town garage and salt shed. The Town has signed a contract with Morton Buildings for the construction of the town garage building in the spring of 2022. This process has been affected by the ongoing pandemic which has caused significant delay, supply chain challenges and price increases.

The schedule for the new town garage construction is as follows;

02/22: Approve final design

04/22: Town Crew prepares site

05/22: Morton scope begins - pour foundation and construct town garage for completion by fall 2022

\* The salt/sand shed project will come together after the town garage is launched.

Your Select Board joined other towns and cities in authorizing the formation of a Town Equity and Inclusion Committee whose vision is to proactively encourage and cultivate community engagement in municipal and civic activities. This committee will work in conjunction with the Select Board to ensure the Town of Tinmouth is and remains a community recognized for being one of equity and inclusion.

The Town has received \$88,871 to date from the American Rescue Plan Act - known as ARPA. We would like to put these funds towards our Town Garage/Salt-Sand Shed projects. The Select Board will hold a public meeting for input before moving forward with investing those monies in the community.

Re-payment to the Vermont Bond Bank for the Town Garage will start in FY23. The Town ended up borrowing \$339,500, which will be repaid over 20 years. As the process is not yet finalized, the estimated payment each year is around \$24,000. This is reflected in the proposed FY23 budget.

*(continued on next page)*

## **TOWN OF TINMOUTH**

### **Report of the Select Board (continued)**

In the Listers' Report, the CLA (Common Level of Appraisal) has dropped for the upcoming tax year. When this percentage is less than 100%, it is applied to the school tax rate to equalize taxation between Towns. The school budget is down and the Legislature may provide extra funding for education, but if they do not, Tinmouth could see an increase in the school tax rate.

#### ***At Town Meeting***

The 2022 Town Meeting Warning includes an Article requesting voters to authorize adding "to include construction of a town garage", to the purpose of the Capital Building Fund. This Reserve Fund was created in 2001 in anticipation of having to re-roof the Community Center in 20 or 30 years. Its purpose was for repair and maintenance of town buildings. The state began rattling a sword about requiring a salt shed, so in 2002 voters added construction of a salt/sand to the purpose. In preparing documents for the bond application, it was discovered that voters had not added construction of a town garage to the purpose. That's why there is an article asking voters to make that change. Reserve Funds can only be spent for the purposes authorized by voters. Only voters can change the purpose.

The Selectboard also placed an Article on the Town Meeting Warning asking voter approval to transfer \$18,800 of the unencumbered General Fund balance from FY21 to the Highway Fund to cover the Town's share for the Potter's Brook Culvert Replacement project. The remainder of the funding for the project will come to the Town through a VTRANS Structures Grant.

Your support and cooperation would be greatly appreciated.

The Select Board thanks our town employees and volunteers who keep the wheels of this town rolling. We also thank the entire community for their continued support and feedback, live or remotely, in this upcoming year.

Respectfully Submitted, Tinmouth Select Board

*Frank Sears, Chair      Cathy Reynolds      Meadow Squier*

#### **Tinmouth Public Works Facility**

At the 2020 town meeting Tinmouth voters approved a \$850,000 Bond to finance the cost of constructing a public works garage and a salt/sand shed. The Building Committee appointed by the Select Board presented options for the salt/sand shed in August 2020. Because the cost of the salt/sand shed was significantly higher than the Select Board estimated, the Board decided to focus on the Town Garage first, using a design-build approach. Design-Build proposals were received from six contractors and after ranking the proposals Morton Buildings, Inc. was selected for the project. Morton presented several floor plans, design options and cost estimates for consideration. The Board decided to proceed the preparation of final design drawings, cost estimates and construction schedule for a 60'x 80' four bay building. The Town signed a contract for \$576,434 with Morton Buildings in January 2022. Geotechnical engineering and foundation design have been completed, authorization to discharge stormwater for the garage under the VTDEC general permit has been issued and requests for proposals for construction of the well have been distributed.

The current construction schedule envisions site work by the Town Highway Crew to begin as soon as weather allows with building construction following in early summer. Once the costs for the garage are firmed up, the Select Board will consider salt/sand shed options. Two grants for additional funds have been submitted.

*Stan Wilbur, Project Manager*

**Report of the Auditors**  
**FY 2020 – 2021**

We have conducted our audit of the Town of Tinmouth's financial records for the fiscal year ending June 30, 2021. We reviewed cash receipts, general expense warrants, payroll warrants, the Grand List and special accounts. The Grand List is checked for accuracy to lister card valuations and tax payments received and deposited are verified. We check cash receipts for unusual changes, verify the receipt and deposit of large state aid payments and their recording into the proper accounts. The cash disbursements are checked for the proper authorization and payment to the listed vendor. Payroll disbursements are checked for select board authorization, payee, pay rate, overtime rate and withholdings.

The few discrepancies we found in our document samplings were explained to our satisfaction. To the best of our knowledge, it is our opinion, based on our examination of accounts and records, that the accounts as printed in the Town Report accurately represent the financial status of the Town.

Respectfully submitted, *Sandy Goyette*, Chair; *Vito Macaluso*; *Ann Czar*

*Christmas in Tinmouth,  
December 2021  
The rain did not dampen  
the festive holiday spirit!*

**Board of Listers Report**

Due to the continuing pandemic, 2021 site visits were limited. Thank you to all who provided information via telephone and email. We hope to catch up during the spring of 2022.

The Vermont Tax Department's Division of Property Valuation & Review has conducted its annual sales review and determined that Tinmouth's common level of appraisal (CLA) for 2022 is 91.38 %. In 2021 it was 98.25%. The CLA is a comparison of what value the town has properties assessed at, and what they are selling for, using a three year average. The real estate market has gone a bit bonkers and that is reflected in this. Properties are selling for half again as much as they are currently assessed. This decrease usually results in an increase in the school tax rates – even if the School Budget is level funded!

**Reminder:** the state requires all residential property owners to file a Homestead Declaration form every year, whether you owe income taxes or not. If you make less than \$141,000, you also need to file the property tax adjustment form and the household income form to be eligible for income sensitivity, due by April 18th. You can file online at: <https://www.myvtax.vermont.gov>

As always, you are welcome to and encouraged to review the information in the Listers' files on your property.

Thank you to retiring Lister Shirley Bucceri. This was Shirley's second stint as a Lister. Her experience and talent is appreciated.

Respectfully submitted, *Gail Fallar*, Chair

**Tinmouth Town Health Officer Annual Report 2021**

*The general duties of the “THO” from the Town Health Officer Handbook are: “Town Health Officers (THO) are given authority by Vermont law to investigate and mitigate steps and may enforce any State health regulations and local health ordinances in their town.”*

In Tinmouth, THO calls answered and acted upon in 2021 included:

Confirmed trash cleaned up on road at end of McNamara Road and Maplebrook Lane.

Respectfully Submitted, *Meadow Squier* Tinmouth Town Health Officer

**Tinmouth Planning Commission  
2021**

This year we welcomed Judy Gilmore as the newest member of the TPC. A lifelong resident of town, Judy joins her brother Andy, also a member.

We said goodbye to our friend and member Grant Reynolds who passed this year. His passion for debate made for interesting conversations that could last well into the evening. He is missed.

Also this year, the Planning Commission completed the application for a Village Center Designation and received approval from the state. This was a long time in the works, interrupted by the Covid pandemic. Thank you to the members that finished it up, with a big thanks to Bob Lloyd. Hopefully this new designation will aid in future planning and other state grant opportunities.

We had several subdivision applications, after a number of years without any. Two were approved, three others are in various stages with their surveyors, hopefully to be completed in 2022. We look forward to the coming year.

You are invited to drop in to a meeting anytime to see what goes on. We would be glad to see you.

Thank you, *Michael Fallar*, Chair

**Tinmouth Contra Dance**

The Tinmouth Contra Dance was a monthly dance series that was open to all. It has been funded by admission at the door and a grant from the Tinmouth Community Fund. In a typical year we ran 8 dances per year on the third Friday of the month. A partner is never required and all dances are taught. 50-100 people attended each dance. The dance shut down in March 2020 due to Covid 19 and has not restarted yet. We look forward to better days when swinging your partner is safe.

Check out our website at [tinmouthcontradance.org](http://tinmouthcontradance.org) or like us on Facebook at Tinmouth Contra Dance.

*Cathy Reynolds, Doug Fontein, Marshall, Melody and Wheaton Squier*

## **TOWN OF TINMOUTH**

### **2021 Annual Report Tinmouth Town Library**

The Tinmouth Library is a **Reader's Library**, one which we hope fills the needs of children and adults. It is the goal of the Tinmouth Library to fuel the fires of intelligence and the imagination.

The Tinmouth Library is an all-volunteer, all-donation library. This means that no person working at the library receives money for their services to the library; the library is completely staffed by volunteers. In order that we might pay for our purchases and expenses we hold fund raisers and we accept monetary donations.

There was no book sale this year because of the pandemic. Covid 19 closed down the library and cancelled most of the activities. We opened one day a week, mid year, and we sincerely hope we can increase that in 2022.

Our writer's group continued to meet on "zoom" and although we were not together, we had folks from Maryland and California with us. The writer's group is a group of committed writers who meet monthly under the leadership of Nelson Jaquay to share what they have written and get feedback.

The Little Free Library is thriving, and we thank The Tinmouth Community Fund for helping us fund it! It is a "put and take" structure with books that are FREE to anyone who chooses to use it. It is located on the porch of the town office. Please add only one or two books at a time – do not bring a box full – Thank you.

We thank all the many volunteers who keep the library running in these difficult times.

We believe that reading is essential to our good health!

Respectfully submitted,  
*Ruth Drachman, Librarian*

### **Tinmouth Volunteer Fire Department**

#### **2021**

Fire Departments all over the country are grappling with the effects of the Pandemic with how they operate. The Tinmouth Volunteer Fire Department is having to adapt with this new threat as well. Like many other Fire Departments large and small, we are now meeting remotely and training virtually with training videos and discussions, to remain as ready as possible. Our fundraising has also changed and we may not be able to host our famous Tinmouth Game Supper as we have in the past. Vaccine hesitation, and not all willing to take it, poses new approaches to how the Department operates for an unknown period. Hopefully most people in the greater community who are considered high risk will be vaccinated, but even some of those considered high risk are declining to be vaccinated. Some members of the Fire Department are also declining at this time. This is all personal choice for different reasons and will be respected.

As First Responders, our first responsibility is to do no harm in our efforts to help others. Considering all of this, we do not want to put anyone at greater risk that we may be trying to help. If you are a person that is considered high risk please contact Chief Marshall Squier: 802-235-2718 or Sherry Johnson: 802-446-3307. This information remains within the department to help us identify and make changes in our response so we do not further compromise anyone's safety. If your situation changes please let us know as well.

Adapting to these changes requires us to keep safety for all in mind within our department and our department has adopted mask wearing and social distancing to the best of our abilities as most other department have also done. As an ALL VOLUNTEER Fire Department we appreciate all community members doing their part in respecting these necessary changes.

Part of this, as community members, would mean you're being as proactive as possible. Check and update fire detectors, have fire extinguishers on all floors of the home and in the kitchen, keep chimneys clean and debris and furniture away from wood stoves. Call Fire Warden Glenn Merrill 446-2782 or Assistant Fire Warden Wheaton Squier 802-446-2082 for outdoor burn permits.

It is illegal to burn outdoors without a permit unless there is snow on the ground. However spring and fall are the highest risk for brush fire so do not burn without a permit please.

As Chief, I would like to thank every Firefighter past and present who has given and continues to give a part of their lives to help others. These members are all exemplary people and the personal satisfaction in helping others, and heartfelt gratitude expressed by community members is our only pay.

*Chief Marshall "Mo" Squier, Tinmouth Volunteer Fire Department*

## **TOWN OF TINMOUTH**

### **Tinmouth Energy Committee Report**

The Energy Committee was an all virtual endeavor this year. We supported the efforts of the Button Up Vermont campaign by sharing information on their weekly virtual Weatherization Wednesdays, archived versions of each week are available: <https://buttonupvermont.org/events>, and publicized incentives available for completing home energy projects. We have a page on the town website, [Tinmouthvt.org](http://Tinmouthvt.org), check it out. New members interested in our efforts to support energy efficiency in our community are welcome. If you are interested, contact the Select Board indicating your interest in being appointed.

Respectfully submitted, *Todd Dennis*

### **Tinmouth Website Committee** Website: [tinmouthvt.org](http://tinmouthvt.org)

The Website Committee continues to work on our website, [tinmouthvt.org](http://tinmouthvt.org). We add pages and train others to post events to the calendar and to post minutes and agendas. We accept your high definition photos at any time during the year, although we cannot load them all,. It is great to see various views of town in various seasons.

We hope that you will all make use of our website, and learn what is available. It is a great resource for community information and events.

Respectfully submitted, Tinmouth Website Committee  
*Todd Dennis, Nancy Gucker Birdsall, Sherry Johnson, Cathy Reynolds*

### **The Old Creamery Project**

The Old Creamery Committee has not been up to much this year. We plan on convening this Spring to work on a list for upcoming spring/summer projects. This includes installing electricity (an electrician was hired last summer, but the work did not get done) and creating a room that can be accessed for storage for pizza oven users, the Conservation Commission, and whatever else needs a bit of covered space (Historical Society perhaps). Painting the south and east sides will also be on the list.

If you are interested in helping keep this historical building around, look for our meeting dates and come on by.

Thank you to all the volunteers, past and present for your dedication and enthusiasm.

We thank the Tinmouth Community Fund for a grant this year to help with ongoing project costs.

And a big thank you to all who donated in memory of former Chair Grant Reynolds. He convinced the Select Board to keep the building as an important part of Tinmouth's Historic District. He spent countless hours and resources on its preservation and restoration. His talents and commitment will be missed.

*Michael Fallar, Committee Member*

*Making Progress on the Old Creamery*

## TOWN OF TINMOUTH

### Tinmouth Conservation Commission 2021

At the start of the year Doug Fontein passed the torch as Chair to Rainbow Squier. We would like to thank Doug for his many years serving the Conversation Commission and are grateful to still have his motivation, passion and commitment with us.

At Town Meeting the voters approved an annual allocation from the town budget to an ongoing Conservation Fund. This will be used to pay for conservation projects in town and be controlled by the CC. Any funds not used in the budget year will remain in the Fund for future use.

Tinmouth's Green Up, our annual clean up of roadside litter, changed to a do-it-yourself event in 2020 and remained so for 2021. This was to avoid Covid risks from an in-person group event. We hope to return to our fun, in-person group event, hopefully in 2022. Stay tuned to *Tales of Tinmouth* and Front Porch Forum in the spring for more details. Thank you to everyone who helped green up Tinmouth this year!

The Drachman Trail is up and running. Built in memory of long-time Tinmouth resident, renowned pediatrician, hiker, and naturalist Bob Drachman, this is a one-mile loop trail of moderate difficulty for hiking, X-C skiing and snowshoeing. The trail, on Drachman property, starts on Crow Hill Road, 0.2 miles beyond the junction with the East Road. There is seasonal parking and a map of the blazed trail at the trailhead. Please, no use of this trail from snow melt until May 31 due to muddy conditions. Plans are afoot for a spur trail to a viewpoint, stay tuned. Tinmouth residents are welcome on the trail, call or email a CC member with questions on trail use.

The CC continues to coordinate with the Select Board on recreation/conservation use of the town lot behind the transfer station. We've identified several potential uses for this plot, including planting and growing fruit trees, a disc golf course, a walking/bird watching path and picnic tables. In addition to these, future uses may include pickle ball and volleyball courts, community gardens and horseshoe courts. First steps for the site involve working with the Select Board on figuring out access and parking.

The Tinmouth Mountain Cabin, after a brief closure due to Covid protocols, is again open for day and overnight use. Please call 802-446-2928 for overnight reservations and please use physical distancing and masks for any day use. The cabin is accessed via the Tinmouth Purchase Loop Trail. The cabin saw a rise in use this year. The CC had a successful workday in November, putting up more battens, extending the chimney, and cutting firewood. Thank you to everyone who helped!

The Tinmouth Mountain Ridge Trail remains a popular out-and-back day hike to a lovely vista. The trail is about 2 miles round trip and quite steep in places. Go to Alltrails.com for more information. Permission was granted to add switchbacks to the trail, this will be done in 2022 as well as fixing some of the bog bridges on the path. There is also a kiosk at the beginning of the trail – north of the Community Center.

The Tinmouth Mountain School is considering a "literature trail" on a portion of the Ridge Trail. In brief, this would be pages from a children's book, laminated and fixed to a placard. The placards, on trees or posts, would be placed at intervals along the trail, allowing walkers to read a book on their walk. This is projected to happen in the spring.

The CC met with the Tinmouth walking club and discussed future ideas for creating and connecting more walking paths throughout Tinmouth. We are excited to continue working with them this coming year. If the idea of more walking paths excites you and you have ideas or want to get involved please reach out to Rainbow Squier at 802-446-9529. We hope to have a map available in 2022.

The CC also plans to launch a Tinmouth resident nature photo contest to celebrate the beauty of the land that surrounds us. Stay tuned to the *Tales of Tinmouth* and Front Porch Forum for more information coming soon.

Thanks to everyone in town who has helped with Green Up, trail building and maintenance, cabin repairs and other conservation initiatives. You're invited to attend any of our meetings, generally on the 3rd Monday, every other month at 7:30 P.M.

Respectfully submitted, *Rainbow Squier*, Chair

*Parade onlookers!*

**TOWN OF TINMOUTH**  
**Tinmouth Community Fund Report 2021**

Even during a pandemic, the Community Fund remained busy. In 2021 the Fund paid out Continuing Education scholarships of \$20,000, Community Fund grants of \$8,440, Small Business Grants of \$2,300, and K-12 camp scholarships of \$1,432.

We received donations of \$10,175 in individual donations including donations in memory of Ramsey Yoder and Marion Squier, plus \$12,000 from the Tinmouth plant sale.

As of the end of the 3<sup>rd</sup> quarter 2021, your TCF assets have increased to \$558,263. End of year statements are released in early February after this report goes to press.

Thanks to everyone who has supported the Tinmouth Community Fund. Would you consider donating to TCF for grants and scholarships in the future? Those contributions remain at home, making Tinmouth a better place to live.

The TCF Board consists of 9 members serving three year terms. The current Board consists of Jan Krantz-Chair, Casey Voigtlaender-Vice Chair, Cathy Reynolds-Treasurer, Helen Mango-Secretary, Melody Squier, Asha Carroll McCullough, Nikki Pfeiffer, Lisa Patry, and Todd Dennis. The Scholarship Committee includes Cathy Reynolds, Bob Lloyd, Ruth Drachman, Rene Wilbur, Denise McGinley, Nelson Jaquay, Asha Carroll McCullough, Frank Sears and Jan Krantz.

**The TCF Board has decided to align the due date for all TCF grant and scholarship applications. Beginning in 2022, Community Grant, Small Business Grant, K-12 Scholarship, and Continuing Education Scholarship applications, will all be due on the same date, May 1st.** In addition, we typically hold our Annual Meeting on Town Meeting Day, but beginning in 2022, this meeting will take place in early June, prior to the Awards Night at the Tinmouth Community Center. As usual, we will elect three directors, share our progress from the past year, and make plans for 2022. We will advertise the Annual Meeting and Awards Night in advance. All are welcome!

*Jan Krantz, Chair*

***A Note of Appreciation:*** Ramsey Yoder, founder of the Tinmouth Community Fund with his late wife Patty, in 1999, died in March of 2021. His initial vision for the Community Center construction blossomed in to a vibrant Fund that supports many Grants to Tinmouth groups and residents annually. They are missed, but their vision continues.

**2021 Tinmouth Community Center**

This was again a year of navigating the State's Covid public gathering guidelines. The board met numerous times to coordinate with the school as to how to use the Community Center safely.

The Community Center Board also spent time discussing better ways to coordinate maintenance with the school district so to limit disruption to Community Center functions.

The School District replaced the asphalt roof on the Community Center and the School this past summer.

Let's hope next year we will see a lot more events and activities in the building!

*Ann Czar, Chair*

**Tinmouth Community Center and Old Firehouse Use Report for 2021**

The Tinmouth Community Center and Old Firehouse provide valuable space for gatherings of all kinds. This year, due to Covid-19 there were only 13 events at the Community Center. These events included: Pickle ball, volley ball, Christian worship service fellowship and meals, Community Fund Scholarship awards, Town fun day, Christmas town event, baby showers, birthday parties and memorials. The Old Firehouse held 7 events. These events included: Town Meeting voting, a cemetery meeting, School lunch at the bake oven, Tinmouth town wide yard sale set up, Four Winds training and the Christmas town event.

We appreciate all those who continue to be understanding as we navigate Covid protocols and look forward to gathering in our community spaces more regularly soon!

Respectfully submitted, *Rainbow Squier*  
 Building Manager & TCC Coordinator

**Community Center Use Guidelines**

The Tinmouth Community Center is a Tinmouth community resource. Use of the facility is intended to engage, build and strengthen the greater Tinmouth community for historical, educational, cultural, social, intellectual and recreational enrichment. It is available only to Tinmouth residents or taxpayers, who must sign the rental agreement and make all arrangements with the Community Center Building Manager. Renters must be on site during the rental event and arrange for pick up and return of the key.

Please take a look at the detailed information for Use on the town website:

**[www.tinmouthvt.org/community-center/](http://www.tinmouthvt.org/community-center/)**

## **TOWN OF TINMOUTH**

### **Tinmouth Emergency Management**

It's been an eventful year. At the dawn of 2021 the Covid crisis was still upon us but the tools to combat it were also coming into play and early inoculations lowered the infections to a rate where by midsummer here in Tinmouth we were celebrating with a community gathering and life was looking good. The governor ended the emergency declaration and emergency management reduced its activities accordingly. Then the new variants emerged and Covid became more like a way of life for the foreseeable future. Thankfully we now can mitigate infections with vaccinations which either stop the infection or reduce its effect to where a good outcome can be expected among the vast majority of patients. Tragically a significant portion of the population refuses to believe the overwhelming evidence of the successful application of vaccines and are dying as a consequence. At this writing the nation has suffered more than eight hundred thousand deaths, a large percentage of which could have been avoided.

In other business concerning emergency management I can report the following. In April, the committee tasked to develop the Local Hazard Mitigation Plan submitted this instrument for ratification by the State and was approved. This was the culmination of several months of work done by a group of dedicated Tinmouthians and they have my heartfelt gratitude. The annual Local Emergency Management Plan was adopted as well. The upshot of this is that we are in the best position to apply for the maximum financial relief should we experience damage from natural disasters which are becoming more common due to our damaged planetary ecosystem. Just to spice things up, the legislature has handed down a new mandate to create Regional Emergency Management Committees to combine resources toward better regional planning and response. This is a laudable notion however at our first regional meeting in December there were not enough people in attendance to adopt the bylaws, so we will see what the future brings. This new law requires a second voting member besides myself from the emergency services of each town and Ryan Deppert, a seasoned member of the Fire Department, stepped up fill that position, so thank you Ryan. Tinmouth was well represented at our first group meeting unlike some other member towns.

One issue that does cause great consternation among the Emergency Management community is the disfunction in communication during extended power outages. In short, while the new fiber-optic phone systems are wonderful when the power is working, once it goes out the batteries in the modems have a very limited life expectancy. The first thing folks do when in these situations is get on their phones and run down the batteries chatting with their friends about the state they are in, calling the power company or to entertain themselves as they sit in the dark. The elderly and infirm, who we worry about the most, may not be tech savvy enough to cope with problem. The upshot is that we have a problem during extended outages being able to offer emergency response. Our fire department is very aware of this issue and there has been much discussion about the problem and we have come up with a plan.

The idea that has emerged would help if the citizens of Tinmouth were willing to do it. It harkens back to the days of the "phone tree" which, though primitive, saved more than one house in this town from burning down. Volunteers covered these phones and there were generally enough of them available at a given moment to pass on the call to the fire department personnel when needed. The new idea is to ask people who generally have back up power to offer their homes to be emergency call centers. This would strictly be for calls for the fire department, ambulance service or police assistance during black outs only. A sign or symbol would be attached to, say the mailbox of those willing to provide this help in order to identify their location as a 911 providing household. This idea has been run by our 911 regional dispatch hub and they are not opposed to trying it. When a 911 call comes in the location of the phone is "pinged" by the cell towers so that the location is usually known. Operators also are expected to ask for a specific address to send responders to as well. Callers should remember this and make sure that the equipment is being sent to the proper location. If you have back up power and would be willing to help mitigate this chronic problem please contact the Town Clerk at 802-446-2498 and add your name to the list of volunteers and you will be contacted as the new "old" system is developed.

*Michael Fannin*  
Tinmouth Emergency Management Director

**TOWN OF TINMOUTH**  
**Tinmouth Solid Waste and Recycling Committee**

All regularly scheduled quarterly meetings of the Solid Waste and Recycling Committee (SWARC) were suspended in 2021 due to the Covid-19 pandemic. The Committee plans to get back in business as soon as possible. Many thanks to Secretary Helen Mango who wrote the application to re-certify the transfer station.

Respectfully submitted, *Wheaton Squier*, Chair

**Tinmouth Transfer Station 2021**

The Tinmouth Transfer Station is open on Wednesdays from 4 pm to 7 pm and Saturdays from 8 am to 12 pm. There is a fee of \$2.50 per bag via punch cards that are purchased at the Town Office. Recycling disposal is free of charge to residents.

We can all do our part to keep Vermont beautiful by remembering the simple rules for recycling:

- (1) You can recycle empty and rinsed clean containers like bottles, cans, and jars; clean and dry paper and cardboard; aluminum, steel, glass, and plastics.
- (2) You cannot recycle plastic bags, textiles, or food products (please see note on composting below).
- (3) Scrap metal, batteries, and electronics do not belong in the trash or recycle bins, but you can bring them to the transfer station for disposal. We only collect small batteries at the TS (no car/truck batteries), we do have a container for scrap metal (a 30 yard container) and electronics (in gaylords/big cardboard boxes in the recycling shed).
- (4) Construction materials and demolition waste are not accepted at the Transfer Station.
- (5) Pharmaceuticals can be disposed of at your local pharmacy, police department, or hospital.
- (6) Hazardous Household Wastes (HHW) must be disposed of properly – you have to bring it to one of the special days that are held in April or September. Please see HHW info on page 38-39.

For more information, please see the Acceptable Recyclables List on the Town of Tinmouth website at [tinmouthvt.org](http://tinmouthvt.org), or pick up the list at the Town Office or Transfer Station.

**The Select Board decided that any unit that may contain Freon will no longer be accepted – this includes refrigerators, freezers, air conditioners, dehumidifiers.** The town could not find a contractor to remove the refrigerant which is required by State and Federal law.

Starting in July 2020, all Vermonters were required to separate organic food waste from trash and recyclables. There is currently a composting bin available to dispose of organic food materials. The compost bin is located next to trash dumpster.

As we continue to promote safety and security during the Covid-19 pandemic, we appreciate that all visitors to the Tinmouth Transfer Station wear masks and keep a 6 foot distance from others.

If you have any questions for me, Charlie or Gunner, we are always happy to help. Remember: *When in doubt Throw it out.* It's better than trashing the recycle bin!

You may contact me as the Manager at 802-446-3433 with any questions or concerns.

Respectfully submitted,  
*Chris Martone*, Transfer Station Manager

*Community Fun Day Cornhole Tournament*

**TOWN OF TINMOUTH**  
**Rutland County Sheriff's Department Report Tinmouth Vermont**  
**2021**

Thus far, in the 2020-2021 contract time frame, RCSD has responded to 31 incidents, performed 31 traffic stops, and had one criminal arrest. Sheriff's Deputies average 10 hours per week, covering five to six days per week. With Tinmouth being one of the towns in Regional Patrol with Ira, Danby and Middletown Springs this is a great benefit to these towns. This allows smaller towns who are working with a smaller tax base the ability to have more directed law enforcement coverage for their money. An example of this would be at any time RCSD has a Deputy assigned to Regional Patrol we will respond to incidents in any of these four towns, thus in reality giving Tinmouth 40 hours a week coverage for the cost of paying for 10 hours per week.

The hours are managed weekly, so if we go over the allotted 10 hours per week, we will scale back your directed coverage until we are back on track with hours. However, this does not mean if we have used the allotted hours for the week we will not respond to complaints. We will continue to respond to incidents in your town and continue to manage the hours. This cooperation between these four towns has worked well over the past few years and we hope this kind of cooperation will continue in the future.

The Rutland County Sheriff's Department is honored to provide your law enforcement needs.

Respectfully Submitted, *David J. Fox*, Sheriff  
Rutland County Sheriff's Dept.

**The Rutland Regional Planning Commission (RRPC)**

The RRPC is a resource for towns, a platform for ideas, and inspires a vision for our future. We balance local desires, best practices, and regional planning for communities that are vibrant today and strong for years to come.

The Rutland Regional Planning Commission and the Town of Tinmouth continued working together in 2021 on many community development initiatives, including:

- Assisted the Selectboard with an application to VTrans Transportation Alternatives Program for town sand/salt shed replacement project.
- Worked with Town Clerk and EMD on various emergency management projects: update 2021 Local Emergency Management Plan, adopt Rutland Region Public Works Mutual Aid Agreement, appoint Regional Emergency Management Committee voting members for 2021-2022, and work to enroll the town in the National Flood Insurance Program.
- Worked with Road Commissioner to complete FY21 Grants in Aid construction projects (2 segments improved), purchase roller through FY21 GIA equipment purchase program, and applied for FY22 GIA construction program funding.
- Assisted the planning team update the Local Hazard Mitigation Plan.
- Worked with the town on Flower Brook Watershed stormwater projects and a climate resilience plan with the Poultney Mettowee Natural Resources Conservation District.

If you feel inspired to participate in local or regional planning; want to be paired with opportunities to grow your community, or just want to learn more, please visit or give us a call - we'd love to hear from you!

**TOWN OF TINMOUTH**  
**Tinmouth Pond Milfoil Project**  
**2021**

TPMP continues to work to control Eurasian Water Milfoil, as once it is present it cannot be eradicated. Suction harvesting is still the main focus of this effort. Cat and Shane Yoder are the divers responsible for removing 410 buckets of this pesky weed in 2021. Their efforts are greatly appreciated.

TPMP expresses its appreciation to the Town of Tinmouth for their continued support of \$2,500 per year and to the Tinmouth Community Fund for another grant to help with this project. Property owners around the lake/pond donated over \$11,000, as well as volunteered countless hours catching fragments, assisting with disposal of the milfoil (makes great compost), and educating lake owners/users with regards to preventing the further spread of invasive species in Tinmouth Pond or to other water bodies.

The 2021 TPMP Board consisted of President Mark Miraglia, Vice President Scott Lepley, Treasurer Gail Fallar, Secretary Laurel Swenson, Financial Secretary Sherry Johnson, Assistant Treasurer Susan Juckett, and Members-at-Large: Laurie Bepler, Tom Miles, and MaryAnn Reinholt.

*Gail Fallar, TPMP Treasurer*

**Burial Transit Information / Private Burial**

**Note:** Burial Transit Permits may be issued to family members of a deceased person to move the body to another town. No law prohibits family members from moving the bodies themselves if they choose, as long as they have a permit. According to Title 18 V.S.A. Section 5201, the only restriction appears to be when certain contagious diseases are the cause of death, in which case the local health officer or Board of Health must approve the issuance of the permit first.

Families occasionally choose to set aside a portion of their private property for the burial of members of their immediate family. This is permitted under Vermont Law, as long as no health hazard is created. (Title 18 V.S.A. Section 5319). Questions you may have about establishing a private burial plot on your property may be referred to the Vermont Department of Health at 802-863-7275.

Yoder*

*Marion  
Hambly*

*Grant  
Reynolds*

## **TOWN OF TINMOUTH**

### **Tinmouth Cemetery Association, Inc.**

The Tinmouth Cemetery Association is a Vermont non-profit corporation formed in 1921. Trustees are Glenn D. Merrill, Stan Wilbur, David Gilmore, Bob Bradley and Laurie Phillips. There is an opening for an additional trustee. The only criteria is the person own a lot in the Tinmouth Cemetery. Anyone interested in serving as a trustee please contact Glenn or Laurie.

The Association held its Annual Meeting on April 21, 2021 and elected Glenn D. Merrill, President; Laurie Phillips, Vice President; Stan Wilbur, Treasurer; and Laurie Phillips, Secretary. Cemetery Administrative Superintendent is Stan Wilbur and Field Superintendents are Dave Gilmore and Bob Bradley.

The Trustees contracts with FAS Trucking to mow and trim the cemetery. FAS also mows and trims the school, town and church yards. Wheaton Squier prepares graves and assists with burials. The elementary school students resumed the tradition of placing flags on the graves of military veterans for Memorial Day.

There were six burials in the Tinmouth Cemetery in 2021: Robert Spencer Johnson, Cynthia Hardy Johnson, Edward F. Gilmore, Sr., Ione M. Chisamore, Marvis B. Larson, and Karen Ellen Perron (later removed and buried in Proctor).

The Cemetery Association received \$2,500 from the town to assist with the cost of mowing. Other operational costs are funded from endowment account interest, sale of lots and burial fees.

Burial in the Tinmouth Cemetery is restricted to individuals or families with a connection to Tinmouth. To learn more about cemetery policies or to purchase a lot, please contact Glenn D. Merrill or Stan Wilbur.

The Cemetery Association's annual meeting is normally the third Wednesday in April and is open to the public.

*Stanley Wilbur, Treasurer*

### **Tinmouth Historical and Genealogical Society**

The Tinmouth Historical and Genealogical Society's stated purpose is "to encourage and to promote an interest in the history of Tinmouth and its founding families; to collect, assemble, preserve information about Tinmouth; and to share this information with individuals or organizations genuinely interested in the history and genealogies of its founding families".

Membership is open to any individual or organization with roots in Tinmouth and any individual or organization which is interested in the history and heritage of Tinmouth or the genealogy of its founding fathers. *The Tinmouth Channel*, the Society's newsletter, provides the mechanism for sharing and publishing this information. The Society was formed in 1999 and Volume 1, No. 1 of the *Channel* came out in the winter of 1999. An index and past editions are available at the Town Office.

The Society normally schedules three to four working or program meetings a year to collect and preserve Tinmouth's physical and narrative history. However, 2021 was a different kind of year and all meeting and programs were canceled.

Grant Reynolds' passing left a huge hole in the Society's ability to meet its "stated purpose". Grant was an important link in responding to questions about the history of Tinmouth and its founding families. He was the editor of *The Tinmouth Channel*, the Society's newsletter; published "*A Short History of Tinmouth Vermont*", written for the elementary school students; and led the effort in restoring the Old Creamery as an important element of the Center's village fabric.

Because the 2021 annual meeting did not take place Society officers: Stan Wilbur, President; Gail Fallar, Secretary and Archivist; and Vito Macaluso, Treasurer and Membership Chair will serve until the next membership meeting. Please watch Front Porch Forum and *Tales of Tinmouth* for an announcement of date and time. In addition to election of officers and planning and scheduling 2022 programs and projects, the major topic will be how we will meet the Society's stated purpose.

Anyone interested in Tinmouth's past and present is welcomed to join the Society by contacting the Town Office: 802-446-2498 or [tinmouthtown@vermontel.net](mailto:tinmouthtown@vermontel.net). Currently the Society has 60 members located across the USA and Canada.

Respectfully submitted,  
*Stan Wilbur, President*

**TINMOUTH MOUNTAIN SCHOOL**  
**2021 Annual Principal's Report**

To the Tinmouth Community,

The Covid pandemic continued to impact the academic and socio-emotional well being of students during the 2021 school year. Teachers and the Tinmouth school community collaboratively mitigated that impact. Students thrived in spite of essential pandemic restrictions, including mask and quarantine policies. The latter accounts for a greater than average absenteeism during 2021.

The number of absences this year increased due to close contact quarantine requirements. This directly impacts academic achievement. In-person learning is significantly more effective than remote learning. While students have remained in-person throughout 2021, the impact of the previous year's remote learning lingers. The effect on academic growth due to increased absenteeism, coupled with the previous year's remote learning trimesters is apparent in lackluster test scores.

Several successful supports were put in place this year to compensate for increased absenteeism and sluggish academic achievement. These include an afterschool homework club and the addition of a district interventionist working with students who struggle in literacy and mathematics. Scheduling was realigned to allocate additional time for direct instruction and remediation as well.

Our outdoor classrooms have been a saving grace. Through daily outside classes, students learn among the sounds and smells of the natural world. As they observe the intricate relationship of biospheres and their inhabitants, they experience a sense of well-being, precipitated by the vast magnificence surrounding them. The students at Tinmouth have weathered the disruption in routines and fatalities within the community with resilience.

Inside the school, space is limited. Our enrollment increased 19% during the 2021 school year. This year's increase of 10 students puts space at a premium. Specials teachers, therapists, and literacy interventionists utilized every accessible alcove.

Our second grade teacher resigned on the 31<sup>st</sup> of July to take a teaching position in Virginia where the climate is more agreeable. In a small school like Tinmouth, the loss of one teacher equates to 20% of collective expertise. Teacher expertise is probably the most significant factor impacting student progress both academically and socio-emotionally. The preceding year, 2020, was the first year in quite awhile that we had a team of experienced teachers who worked at TMS for several consecutive years. New teachers take at least three years to reach the level of instructional expertise and curricular familiarity needed to impact student learning significantly. Instructional expertise is crucial particularly when teaching multi-aged classes. In spite of this loss in expertise, teachers continued to challenge and engage students throughout 2021 and the results include positive academic growth particularly in mathematics.

A sense of normalcy is evident as the year progresses. Our Winter Sports Program has been revitalized and students will be skiing, snowboarding, and skating in the upcoming months of January and February.

Our spring concert is still an uncertainty. However, students continue to participate in chorus, band, and instrumental lessons. An outside concert may be possible. This will depend on the rise and fall of positive Covid cases in our communities this spring.

Academic growth in 2021, has been positive and steady albeit lackluster. Many of our pre-Covid activities have resumed. Enrollment is up. Overall, our students and teachers are weathering quarantines and restrictions with resilience and optimism.

***Maureen Fitzgerald-Riker***, Principal  
Tinmouth Mountain School

*Students participating in virtual round-up  
with Nelson Jaquay  
and  
Rev John Hardman-Zimmerman*

**MILL RIVER UNIFIED UNION HIGH SCHOOL**  
**2021 Annual Principal's Report**

It's hard to believe that our second semester is only a month away. The 2021 - 2022 school year is moving along at a brisk pace. Despite the challenges Covid has presented us with, our students and staff are embracing being back teaching and learning, in-person, as if nothing has changed.

Our mission at Mill River Union High School is, as a community, to best serve our students and maximize their learning potential. We are extremely proud of our small class sizes, extensive advanced placement (AP) offerings, and our ongoing commitment to and emphasis on a combination of academics, arts, and athletics. All of these lead to what we believe is a personalized, civically-minded, and academically excellent learning environment.

As I mentioned earlier, we started our school year much like in year's past. Teachers and students alike were excited to return to in-person learning, albeit embracing a new normal under specific Covid guidelines and protocols. Other than universal masking and distancing protocols during lunch activities, day to day operation of Mill River is much like any other year.

Mill River Union High School offers a multitude of extracurricular and athletic programs that are a crucial part of our students' and communities' lives. We offer a variety of programs, including baseball, basketball, cheerleading, football, soccer, cross-country, Interact Club, Model UN, unified bowling, peer tutoring, skiing, snowboarding, Stage 20, Stage 40, yearbook, wrestling, rock climbing, geo-bee, golf, and student government. Our visual and performing arts programs are a highlight of MRU. Approximately 45% of our student body participates in the performing arts, which speaks wonders for the talents of our student body..

Our work in the classroom has also continued to grow and thrive. Teachers and students are continuing their path to proficiency-based learning and assessment. Students are able to personalize their education, all the while manipulating the content learned and applying it to real-world scenarios. No longer are our students just memorizing and forgetting what they have learned. They are obtaining and utilizing the skills necessary to critically think and analyze the world around them. Our learners are growing globally.

As you can see, Mill River Union High School is preparing our future graduates to be leaders, as well as responsible global citizens. Students are proud of their work and we are proud of them.

Thank you,  
*Tyler Weideman*, Principal

## MILL RIVER UNIFIED UNION SCHOOL DISTRICT

### Report from the Superintendent of Schools

It is my pleasure to offer this report on behalf of the Mill River UUSD Superintendent's Office.

Calendar year 2020 was something else. We all expected 2021 to start with difficulty and finish smoothly. In reality, we have navigated more challenges as a school district in 2021 than we experienced in 2020. Because of this, we certainly know that our community is tired. Tired of the pandemic, the restrictions, the unknown, the conflicts, and the effects of illness on people we care about. Everyone is tired.

But, it is important to note that people in this community are still showing up. Despite the challenges and changes that have emerged over the past two years, your community is showing up. Our students come to school every day under challenging circumstances. Learning and engaging is not always easy. But, they do their absolute best to make it happen. School faculty, staff and administrators - like their peers across the world - are navigating what is without doubt one of the more challenging periods in history to work in schools. But, they are making it happen and students are learning and thriving even under difficult circumstances. Our Board members, even in challenging moments, are showing up and making decisions for the good of the school district and its students. No aspect of the school experience for any of these groups has been unaffected by the pandemic. We see challenges, hurt, heartache and frustration. But, there are also moments of joy, growth, excitement and energy. Through it all, our community keeps showing up.

For anyone not connected to our schools, the following are some of the key aspects of the first half of the 2021-2022 school year:

- We began the school year on schedule on September 1st, with all PK-12 students fully in-person from day one.
- Following the Board's decision, a flag stating "Black Lives Matter" with a Pride-striped edge flew at Mill River Union High School on the main flagpole from early September through early December.
- During the month of November we hosted vaccination clinics in elementary schools for our students aged 5-11. Elementary vaccination rates are climbing. Our Mill River Union vaccination rates are roughly 60%.
- As of the writing of this letter, we have been in the midst of the most significant levels of Covid cases of the pandemic in our schools. The dynamics have also changed in terms of where authority resides for decision-making in schools in Vermont related to managing the Covid pandemic. The chart below outlines those shifts for your reference.

2020-2021 Authority		2021-2022 Authority
Combination: State & District	<b>Regulatory</b> # of school days Definition of "Attendance" Remote / Hybrid / In-Person	State
State	<b>Operational</b> Masking Screenings Distancing Visitors Events / Sports Spectators	District
State	<b>Public Health</b> Management and communication re: school-based cases Determination of close contacts Assigning quarantine	State

If you ever feel like you need more information about what our school district and its schools are up to, we want to help you to find the information you are looking for. Please do not hesitate to call or email any of our principals with any questions you may have. Please don't hesitate to call or email our district office with other questions. We'll work hard to point you in the right direction and find answers if we don't know them. We are committed to our students, committed to our schools, and committed to this community - through the best of times and the worst of times. Thank you for supporting all that we do on behalf of our community's students.

Sincerely,  
*Dave Younce*, MRUUSD Superintendent of Schools  
<http://millriverschools.org> 802-775-3264

**MILL RIVER UNIFIED UNION SCHOOL DISTRICT**  
**2021 School Board Chair Report**

Dear Clarendon, Shrewsbury, Tinmouth, and Wallingford Communities:

As we are all aware, our schools have been under tremendous pressure from so many directions this past year, most due to the pressures of the ongoing, everchanging Covid pandemic. I'm proud to say that we as a school district have worked hard to keep our students and families informed on the why's and how's of the pandemic responses required by each of our schools. Parents have been so diligent in keeping their children home when they are symptomatic or have a need for quarantining and have been generally supportive of our masking mandate within our buildings and school grounds. These actions have been vital to keeping our children attending in-person classes. As I write this report, we are again entering a new unknown with variants complicating what had started to feel like a return to a more normal school experience for everyone. We continue to encourage everyone to keep up their efforts and to make use of the wonderful vaccines that are available to everyone five years of age and up.

Last year's report made you aware of the District's Equity Plan adoption. We continue working to update our District Policies to conform with that plan. Currently, the board is completing an update of our District Goals, both for the changing dynamics of education in Vermont and the possible funding changes that are planned to be discussed in the Vermont Legislature this upcoming session.

This year we have also been working to increase our connections with our communities. Every town has its own personality and that means each town requires a bit of a different strategy on how best to open conversations. One communication method that has seen growing success is the Community Conversations that were started by the Community Engagement Committee. These have been happening on the 3<sup>rd</sup> Mondays of most months at 6:30pm. It is a great opportunity to have direct conversations with 2-3 board members on pretty much any subject connected to our schools. During these sessions, your questions can be answered and thoughts shared and we hope that regular attendance will continue and increase over the coming year. The opportunity to speak directly with board members is so valuable, both for those in attendance and for the board members. It is not something that happens easily during regular full board meetings as that is when the business of the board happens with the middle ground being at regularly scheduled monthly committee meetings. These committee meetings are where the nuts and bolts work of the board occurs and they are more casual than our bi-monthly full board meetings allowing for increased public participation.

I close with both a request for patience and a request for communication. Please share your thoughts and needs with us; then have patience as we work through all of these competing demands to find a balance that works the best for the most people.

Sincerely yours,  
*Adrienne Raymond, Chair*

### Act 148 - Universal Recycling Law

#### July 1, 2020

Haulers must offer food scrap collection to businesses, schools, transfer stations, and apartment complexes with more than four units.

#### July 1, 2020

Food scraps are banned from landfills. 20 mile limit no longer applies.

#### July 1, 2017

Transfer stations must accept food scraps.

Generators of 18 tons of food scraps (½ ton per week) must divert if facility exists within 20 miles.

#### July 1, 2016

Leaf, yard waste and clean wood are banned from landfills. Haulers must offer leaf and yard debris collection.

Generators of 26 tons/year (2 tons per week) of food wastes must divert if composting facility exists within 20 miles.

#### July 1, 2015

Residential trash must be charged based on volume or weight. Recyclables are banned from landfills.

Transfer stations must accept leaf and yard waste.

Haulers and transfer stations must offer residential recycling at no separate charge.

Recycling containers must be provided in all publicly owned spaces where trash cans are located.

Generators of 52 tons/year (1 ton per week) of food wastes must divert if composting facility exists within 20 miles.

#### July 1, 2014

Transfer stations must accept residential recyclables at no charge.

SWAC is composed of the towns of Benson, Chittenden, Fair Haven, Middletown Springs, Pawlet, Rutland Town, Shrewsbury, Sudbury, Tinmouth, and West Haven and serves a population of approx. 14,000 people. These towns work cooperatively to comply with State laws and mandates managing solid and hazardous waste issues in an environmentally responsible and cost effective manner.

In 2021, SWAC successfully complied with Year One Act 148 ANR Solid Waste Implementation Plan (SWIP) requirements. The SWIP meets the requirements of the State's Material Management Plan and outlines how solid and hazardous waste will be managed in the SWAC towns for a five-year period. All towns in Vermont are required to be included in a SWIP, and the requirements are extensive. The currently approved and adopted SWIP is available for review on the SWAC website.

SWAC acts as a liaison to the State of Vermont representing the SWAC town's interests on issues such as legislation and rule changes, SWIP requirements, and Product Stewardship.

SWAC is a member of the Vermont Product Stewardship Council and Product Stewardship Institute. These groups have been instrumental in getting Environmental Producer Responsibility (EPR) legislation passed in Vermont. The EPR legislation requires manufacturers to be financially responsible for the end of life collection of their product(s) thereby saving Vermont's resident's disposal/recycling costs. Active programs are in place for the collection of architectural paint, batteries, automobile switches, mercury thermostats, mercury lamps, compact fluorescent bulbs, and electronics waste. Efforts are still ongoing to pass new legislation requiring manufacturers of household hazardous waste products and paper and packaging to pay for end of life disposal of their products. Contact your local representative to support these efforts.

**HOUSEHOLD HAZARDOUS WASTE (HHW):** HHW collection is the most costly endeavor undertaken. SWAC contracted with US Ecology to hold three household hazardous waste (HHW) events. 5.6 tons of hazardous waste was collected from 127 households. Products included oxidizers, acids, alkalines, reactives, pesticides, aerosols, flammable liquids, ammonia, mercury devices, mercury, batteries, latex, oil based, and flammable paints, propane tanks, batteries, asbestos, pcb ballasts, and antifreeze.

Thank you for participating in SWAC's efforts to properly recycle and dispose of solid and hazardous waste. To keep your communities HHW and solid waste collection costs down, remember to **Refuse, Reduce Reuse, Recycle, and Repurpose**. Consider buying less-toxic products that do not need to be disposed of as hazardous waste. If you do buy a product, use it up for its intended purpose, or give it to a friend, neighbor, or relative to use. Visit the SWAC website (What Do I Do With page) for locations where electronics, paint, batteries, fluorescent bulbs, and waste oil are accepted for **FREE** year round. No need to wait for the HHW events.

**2022 HW Schedule** - **April 30**, Rutland Town Transfer Station, 218 Northwood Park; **October 8**, Fair Haven Transfer Station, 175 Fair Haven Avenue. These event times are 8:30 a.m. - 12:30 p.m. These events are free to all SWAC residents. In addition - shared event with Bennington County Solid Waste Alliance (BCSWA) - **September 17** -- For BCSWA residents and Pawlet residents at Dorset School, 130 School Drive, Dorset. Time for this event is 9:00 a.m. - 1:00 p.m. The SWAC website provides additional information on these events.

(continued on next page)

**– SOLID WASTE ALLIANCE COMMUNITIES –**  
(CONTINUED FROM PREVIOUS PAGE)

**Between events:** Residents of SWAC towns may purchase a non-district permit to utilize the Rutland County Solid Waste District Gleason Road transfer station and hazardous waste depot. This permit allows access to the Gleason Road facility and provides drop-off of household hazardous waste and, trash disposal at current rates, and access to recycling drop-offs. Permit purchase is available at the scalehouse or hazardous waste depot at the transfer station or at the RCSWD offices, located at 1 Smith Road, Rutland, Monday through Friday from 7:00 a.m. - 3:00 p.m. Permits are not available for sale on weekends at either location. Telephone 802-775-7209 for additional information and current rates.

2021 was another unprecedentedly difficult year. Special thanks to town staff and transfer station attendants who kept operations going despite the difficulties involved. Also many thanks to the SWAC representatives, many town clerks, and administrators. They spend countless hours assuring SWAC continues to run efficiently and effectively.

**Minutes**  
**TINMOUTH TOWN MEETING**  
**February 27 and March 2, 2021**

Due to the Covid-19 Coronavirus Pandemic, the meeting was held virtually and all voting took place at the Old Fire House on March 2<sup>nd</sup> via Australian ballot. Nearly 60% of voters cast ballots.

Stan called the virtual meeting to order at 1:01, read the warning and instructions. There were 30-40 attendees (10%). State Representatives Salley Achey, Art Peterson and Tom Burdett spoke regarding legislative matters in Montpelier. Stan thanked them for their explanations.

Stan introduced candidates running for the select board, school board and road commissioner. He noted the Town Report contained reports from officers and committees and asked if there were any questions, none were raised.

Stan read the Articles on the Warning, asked for discussion, advising voting will take place on Tuesday.

***Article 1.** Shall taxes be paid to the Treasurer, 1<sup>st</sup> half due August 16<sup>th</sup> and 2<sup>nd</sup> half due November 15<sup>th</sup> ?*

***Article 2.** Shall the voters appropriate the sum of \$234,590 for general expenses of the Town for the fiscal year beginning July 1, 2021 and ending June 30, 2022?*

***Article 3.** Shall the voters appropriate the sum of \$548,250 for highway expenses of the Town for the fiscal year beginning July 1, 2021 and ending June 30, 2022?*

Select Board members spoke to the budgets: Michael Fallar noting the Select Board kept the budgets level, trying to keep costs down, getting ready for the new town garage; Cathy Reynolds thanked Stan Wilbur for volunteering to be the Project Manager for the town garage. Morton Buildings was chosen for a design-build, but due to Covid, the cost of materials was up. The Board is still hoping to build this summer; Frank Sears advised the Select Board was being diligent about cutting back without cutting back on needs.

Stan, briefly stepping aside as Moderator, spoke as Project Manager. He noted he picked up from the Building Committee who had various proposals. The Select Board decided to proceed with a town garage and wait and see on a salt/sand shed (cost had increased substantially from original plans). State storm water permit had to be revised. Design/build for town garage process began, nine contractors were contacted, Morton Buildings was chosen. Hope is to get something built for \$500,000, discussed road crew doing site work, how to keep road work on track, he would like to get the Building Committee involved again.

***Article 4.** To elect all Town Officers now required by law. Moderator 1 year term, Select Board member 3 year term, Road Commissioner 3 year term, Lister 3 year term, Auditor 3 year term, Delinquent Tax Collector 1 year term.*

Town Clerk Gail Fallar reminded everyone to vote on Tuesday, by absentee, if possible, but polls would be open from 8:00 am until 7:00 at the Old Fire House as it is safer for voters and poll workers to have one-way traffic in and out.

Announcements ~ **Cathy** explained the Dolly Parton Imagination Library Program for kids age 0-5 years – through the Rutland Free Library – kids will receive one book a month – free.

**Cathy** also spoke for the Tinmouth Community Fund. They are offering a second round of community grants, small business grants, camp scholarships, etc. Applications are now online, easy to do. She also noted the TCF Scholarships cover anything after high school, does not have to be for college, awards will be in June.

**Doug Fontein**, Conservation Commission Chair, spoke about EAB (Emerald Ash Borer) an invasive insect recently discovered in West Rutland. He advised the Select Board, Conservation Commission and Tree Warden David Birdsall were all working on a plan to deal with it.

**TINMOUTH TOWN MEETING**  
**February 27 and March 2, 2021    Minutes (*continued*)**

Candidates for: Select Board – Michael Fallar and Meadow Squier; School Board – Asha Carroll McCullough and Arne Majorell; and Road Commissioner Eric Buffum and Michael Fallar – all spoke briefly and answered questions.

Stan recessed the meeting at 2:27 until voting begins on Tuesday, March 2<sup>nd</sup>. Reminded everyone to vote.

**March 2, 2021 Town Meeting Results**

**Annual Meeting of the Mill River Unified Union School District #U052**  
**Towns of Clarendon, Shrewsbury, Tinmouth and Wallingford**  
**DRAFT MINUTES**  
**February 25, 2021**

Present: Tammy Heffernan (chair) Bjorn Behrendt, Adrienne Raymond, Andy Richards-Peelle, John McKenna, Doug Earle, Maria French, Amy Martone, Len Doucette, Liz Filskov(board members); David Younce, (superintendent), Stan Pawlaczyk, Ann Dages, Brian Hill, Gary Marcy (Staff), Grant Reynolds (Moderator) Heather Kent (District Clerk), Todd Fillmore (public).

Chairperson Heffernan led all present in the Pledge of Allegiance.

Moderator Reynolds called the meeting to order at 7 pm, and made a statement regarding the changes to the typical course of the meeting due to the Covid-19 pandemic. The meeting was taking place virtually, and all action articles would be voted on by Australian ballot on March 2nd. No other legal business would be added, but there would be room for discussion after Article 4.

*(continued on next page)*

**Annual Meeting of the Mill River Unified Union School District #U052**  
**Towns of Clarendon, Shrewsbury, Tinmouth and Wallingford**  
**DRAFT MINUTES**  
**February 25, 2021 *(Continued from previous page)***

The legal voters of the Mill River Unified Union School District are hereby warned to meet virtually on February 25, 2021, at 7:00 p.m. for the annual school district meeting to transact the following business:

**ARTICLE 1** To elect the following officers: a. Moderator; b. Clerk; c. Treasurer. (By Australian Ballot) Moderator Reynolds read the article, Chairperson Heffernan stated Grant Reynolds would appear on the ballot for Moderator, and Denis Patch for Treasurer.

**ARTICLE 2** To authorize the Board of School Directors to borrow money pending receipt of payment from District towns by the issuance of notes or orders payable not later than one year from date. (By Australian Ballot) Moderator Reynolds read the article.

**ARTICLE 3** To have presented by the Board of School Directors their estimate of the expenses for the ensuing year. This is a public informational hearing regarding the budget article. (See Article 4). Moderator Reynolds read the article.

**ARTICLE 4** Shall the voters of the Mill River Unified Union School District approve the Board to expend \$18,896,395, which is the amount the school board has determined to be necessary for the ensuing fiscal year? (By Australian Ballot) It is estimated that this proposed budget, if approved, will result in education spending of \$17,543.15 per equalized pupil. This projected spending per equalized pupil is 0.98% lower than spending for the current year. Moderator Reynolds read the article, and stated after the financial presentation there would be time for discussion.

Liz Filskov presented the following: FY22 BUDGET PRESENTATION

The overall FY22 expenditure budget is \$18,896,395 up \$32,854 or 0.17% over last year or less than 1/4 of one percent. The preliminary number for equalized pupils is 780.29, which is higher than the previous year by 7.56 or 0.98%. Our education spending grant is at \$13,688,744, which is down \$1,359 or 0.01%. The education spending grant per pupil is \$17,543.15, down by \$173.39 or 0.98%.

The MRUUSD Board of Directors approved the FY22 budget on January 6th at a regularly scheduled meeting. At that time the Board approved a \$200,000 appropriation for the capital sinking fund. Additionally, the MRUUSD tuition rate for 2021-2022 is set at \$16,750 for Elementary Schools and \$16,600 for MRU. Ms. Filskov thanked the Board, Superintendent Younce and Business Manager Stan Pawlaczyk for their financial stewardship. There were no questions from the public.

**ARTICLE 5** Shall the voters authorize the District to transfer the audited unanticipated surplus funds remaining at the end of FY21 to the building sinking fund, not to exceed \$200,000? (By Australian Ballot) Moderator Reynolds read the article. Mr. Todd Fillmore of Shrewsbury asked from where the \$200,000 surplus mentioned in Article 5 had come. Ms. Filskov directed the question to Mr. Pawlaczyk, who stated that the surplus did not yet exist, and clarified that Article 5 was asking the voters to allow any future surplus up to \$200,000 at the end of FY21 to be added to the sinking fund.

The meeting was recessed at 7:12 pm to March 2, 2021 (Town Meeting Day) for the purpose of voting by Australian ballot at the usual polling places in the District towns on the following business. Said ballots shall be brought to the Mill River Union High School Cafeteria following the closing of the polls in the District towns where they will be commingled and counted by the officers of the District towns.

**WARNING**  
**Annual Meeting of the Mill River Unified Union School District**  
**Towns of Clarendon, Shrewsbury, Tinmouth and Wallingford**  
**February 24, 2022**

The legal voters of the Mill River Unified Union School District are hereby warned to meet at the Mill River Union High School Library on February 24, 2022, at 7:00 p.m. for the annual school district meeting to transact the following business:

- ARTICLE 1** To elect the following officers: a. Moderator; b. Clerk; c. Treasurer.
- ARTICLE 2** To authorize the Board of School Directors to borrow money pending receipt of payment from district towns by the issuance of notes or orders payable not later than one year from date.
- ARTICLE 3** To have presented by the Board of School Directors their estimate of the expenses for the ensuing year. This is a public informational hearing regarding the budget article. (See Article 4).
- ARTICLE 4** Shall the voters of the Mill River Unified Union School District approve the Board to expend \$18,637,991, which is the amount the school board has determined to be necessary for the ensuing fiscal year? (By Australian Ballot) It is estimated that this proposed budget, if approved, will result in education spending of \$18,376.58 per equalized pupil. This projected spending per equalized pupil is 4.47% higher than spending for the current year.
- ARTICLE 5** Shall the voters authorize the District to transfer the audited unanticipated surplus funds remaining at the end of FY22 to the building sinking fund, not to exceed \$200,000? (By Australian Ballot)

The meeting will then be recessed to March 1, 2022 (Town Meeting Day) for the purpose of voting by Australian ballot at the usual polling places in the District towns on the following business. Said ballots shall be brought to the Mill River Union High School Cafeteria following the closing of the polls in the District towns where they will be commingled and counted by the officers of the District towns.

**Approved by the MRUUSD Board of Directors in a public meeting and dated at Clarendon, Vermont this 10<sup>th</sup> day of January 2022.**
